C. Cancellations and Withdrawal policy

1. Each student has the right to cancel the enrollment agreement and obtain a refund of charges (outside of the non-refundable registration fee) paid through **attendance at the first class session, or the seventh day after enrollment, whichever is later**; herein known as the "cancellation period". Notice of cancellation can be given in hard-copy written form or e-mail to the Chief Academic Officer or Program Manager.. Cancellation date will be processed as of the date the letter IS RECEIVED - a prior dated document will not back-date the point of refund calculation.
2. A student who cancels within the cancellation period is eligible for a 100% full tuition refund of all monies paid to PYRAMIND. In all cases, the Registration fee of \$250.00, any money collected towards the Student Tuition Recovery Fund (STRF), and any books, hard drives, or other

equipment purchased through Pyramind and received by the student are non-refundable. After the cancellation period, all students have the right to withdraw from their program but are no longer able to cancel.

3. A student who withdraws within the withdrawal period is eligible for a refund according to our Refund Policy (next section). Withdrawal notification needs to be delivered in written form to the Chief Academic Officer or Program Manager (emails are NOT sufficient). The withdrawal date will be processed at the end of the work week the notification is received. For example, a withdrawal letter dated on the 5th but received on a Wednesday the 20th will be processed as Friday the 22nd. Refunds are calculated in weekly amounts, thus the following Friday would always be the date of withdrawal for any notification received during any week.

D. Refund policy

1. If a student chooses to withdraw from an entire program after the cancellation period, refunds for that program are prorated based on the length of time completed and will be calculated based on the work week's end date of receipt of withdrawal notification. Length of time is calculated based on the actual start date and anticipated completion date. Refunds will be paid within 30 days following the date the student notifies the Chief Academic Officer or Program Manager of withdrawal and will be sent to the address provided by the student at the time of withdrawal.

Students who withdraw from the program having past 60% of the program length are no longer entitled to refunds - the tuition funds will be considered earned. Additionally, any student who withdraws after 60% of the program will still be required to complete payments if payments are still due.

2. Students who are on payment plans may withdraw from the program the same as any other. A payment plan student who withdraws may also be due a refund depending on the financing specifics. However, students who owe more than they have paid based on the refund calculation, must continue to pay their contract until their total balance is paid, minus any refunds. At that time, any and all contracts will be terminated and no further payments will be due.

E. Dates Subject to Change

1. Pyramind reserves the right to postpone the start date of an enrollment cycle or term and will give notice announcing the change. Enrolled students may withdraw or postpone their start for any reason to the next enrollment cycle (three months) without penalty. Withdrawal and refunds will be subject to our Refund Policy.

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.

G. Tuition Rate Changes

1. Pyramid reserves the right to change tuition rates for future enrollments at any time. Tuition for any succeeding academic term will be charged at the published tuition rate for that term. If a student withdraws and re-enters or is reinstated after a dismissal, he/she may also be subject to new tuition rates. However, students who take a leave of absence or simple retake a course without withdrawing will be exempt from any tuition changes. Students who have prepaid tuition

for the entire program will have no change of tuition unless they withdraw and re-enter or are reinstated after a dismissal.
